

ADDENDUM NO. 1
TO THE
REQUEST FOR PROPOSALS TITLED
ADA Transition Plan

ISSUED BY
THE CITY OF AUBURN DEPARTMENT OF PUBLIC WORKS

This addendum shall be considered part of the Request for Proposals (RFP) and shall be acknowledged by the Consultant in the sealed Proposal.

This addendum makes the following changes to the Request for Proposals.

<u>Item</u>	<u>Page</u>	<u>Description</u>
1.	Request for Proposals – Exhibit A – City of Auburn Facilities	ADD the Old Town Auburn public restrooms to the list of City of Auburn facilities.

Requests for Information:

Question 1: Does the City know how many of the estimated 65 miles of roads have sidewalks associated with them?

Answer 1: There is no inventory of the City's existing sidewalks.

Question 2: How many transit stops do you estimate you have in your City? How many bus shelters?

Answer 2: The current bus schedule indicates approximately 30 stops, but the bus can stop anywhere it deems safe. The City of Auburn currently has 14 bus shelters; two additional bus shelters are expected to be constructed within the next year. Auburn Transit operates within the City of Auburn and Placer County.

Question 3: Has the City completed a self-evaluation or had any portion of its facilities evaluated by an access specialist previously?

Answer 3: No, the City has not previously completed a self-evaluation or had any portion of the facilities evaluated by an access specialist.

Question 4: Does the City of Auburn envision the Consultant submitting as-built information on all City facilities or just compiling measurements for ADA accessibility?

Answer 4: The Consultant shall complete measurements to determine ADA accessibility; complete as-built information is not required.

Question 5: Will the City of Auburn require design review of the two proposed bus shelters to be constructed within the next year?

Answer 5: No design review of the bus shelters is anticipated.

Question 6: Is the City looking for a Consultant to provide an analysis for ADA compliance of the City's phone system, website, etc.?

Answer 6: Yes, please include all aspects of City facilities (phone system, website, etc.) in the comprehensive ADA Transition Plan.

Question 7: Is the City looking for a Consultant to provide an analysis of the City's buses?

Answer 7: Yes, please include the City's buses in the comprehensive ADA Transition Plan. There are currently five buses in use and they all have operational lifts.

Question 8: What City of Auburn facilities are listed on the National Register of Historic Places or on the California Registry of Historical Resources?

Answer 8: See below for the City facilities listed on the National Register of Historic Places and the California Registry of Historical Resources:

- City Hall – California Registry of Historical Resources
- Old City Hall – California Registry of Historical Resources/National Register of Historic Places
- Carnegie Library – eligible for listing/in process
- El Dorado Street Firehouse – California Registry of Historical Resources/National Register of Historic Places
- Old Town Firehouse – California Registry of Historical Resources/National Register of Historic Places

The changes detailed in this Addendum No. 1 are hereby made part of the Request for Proposals, issued by the City of Auburn Department of Public Works, dated July 11, 2012.
